Commissioner for Patents

The information disclosure statement filed 10/1/2007 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It failed to supply a copy of JP04-12183, which was therefore not considered. All other cited references were considered.
